Dear Mr Vickery

FRODSHAM ALLOTMENTS

You may have heard through your fellow allotment holders that the Council is keen to enter into a discussion about the future of Frodsham's allotments.

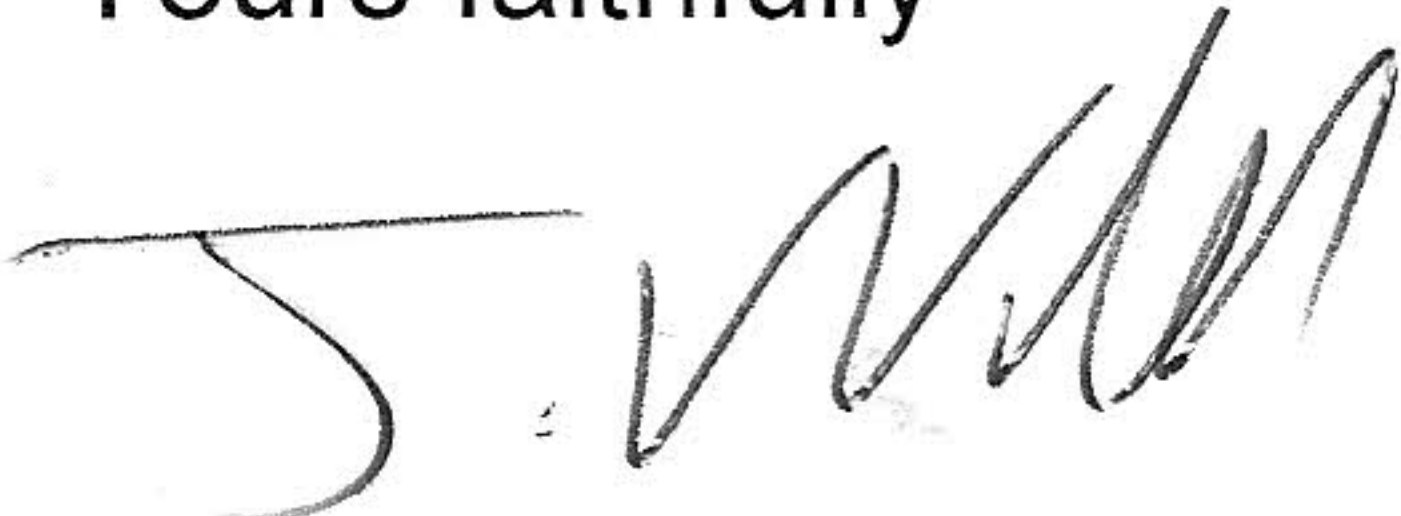

The Council remains of the view, as I am sure do you all, that the allotments provide a valuable and valued asset for Frodsham. The question is how they can best be protected and managed in the future. This presents options, which the Council are keen in the first place to discuss with allotment holders.

To start this discussion off, the Chair of Community Committee, Linda Brown, has asked me to arrange an informal meeting with as many of Frodsham's allotment holders as are able to attend, to talk over some of these options.

With this mind, I am pleased to invite you to a meeting on 12 December, at 2.30PM in the Main House, Castle Park. Linda is keen to stress that the Council is at the very start of thinking about this issue, and this represents an opportunity for us to consider together the future of the allotments.

It would be most helpful if you could please let me know if you are able to attend.

Yours faithfully

Jon Wild
Town Clerk
